

LONDON CABLE CAR LONDON, UK

The London Cable Car, officially known as 'The Emirates Air Line', is a cable-car which crosses the River Thames in East London, between The Royal Docks near Canning Town and the Greenwich Peninsula. It is sponsored by Emirates Airline.

The cars leave each terminal every few seconds. Journey time is 5 minutes. The cable car opens at 7am Monday-Friday, 8am Saturday and 9am Sunday. It closes at 8pm during the winter months (October to March) and at 9pm during the Summer Months (April to September).
